

Extended Employment Services

How can we help?

Our Extended Employment Service Program provides employment for persons who, for a variety of reasons, may have difficulty finding employment in the typical job market.

We offer:

- Competitive wages
- Earned time off
- Opportunity for schedule flexibility
- A welcoming and encouraging work environment

What kind of jobs do we offer?

We offer a variety of manufacturing jobs.

ALL training is paid and no experience is necessary.

Most jobs are paid piece rate that allows for employees to earn more through increased productivity.

Normal operating hours are 8:00 am to 3:30 pm, Monday through Thursday with some Fridays and/or Saturdays.

Extended Employment provides opportunities for persons to achieve their employment goals including increased wages, exposure to a variety of jobs, increased skills and/or community-based employment.
