

Home-Like Environment

- Provide stable, supportive housing to promote healthy living and recovery.
- Staff are present 24/7 to monitor and offer supervised living support.
- Comfortable, private, single-occupancy bedrooms.
- Inviting common areas (kitchen, living room, etc.)

Developing Skills

- Assist individuals with maintaining medications.
- Develop and encourage skills for daily living.
- Assist individuals with obtaining employment if appropriate and desired.
- Enhance Socialization Skills.

What is Pine Brook?

Pine Brook is a 4-bed, all-male group home that serves as a social and living skills development program for individuals who have a serious mental illness.

We offer a relaxed home like environment with private bed rooms, comfortable living areas, 24/7 supervision and supports, and meaningful development of daily living skills.
